Experience

Dr. Sharratt is currently a Project Researcher with the Center for Educational Effectiveness. In addition, he co-chairs Governor Inslee's STEM Education Statewide Innovation Alliance, and is a member of Complete College America and the Washington College Promise Coalitions. Dr. Sharratt served for three years as a member of Governor Inslee's cabinet as Executive Director of the Washington Student Achievement Council. The Council is the lead state agency bringing together all sectors of the state's education system, early learning, K-12 and higher education, to improve educational outcomes for all Washingtonians.

He is the past president of the Washington Educational Research Association and publishes regularly in scholarly journals. He received the Washington State University College of Education Distinguished Scholars Award, State Bilingual Leadership Award, State Superintendent of the Year Award, and the National Educational Administrator of the Year Award. His scholarly interests are in equity, measurement and data-based decision-making.

Dr. Sharratt served for ten years as a clinical associate professor for Washington State University. He has 30 years of K-12 experience as a teacher, career counselor, principal, school superintendent, and ESD superintendent in public (Washington & Alaska) and international schools (Norway).
